

Bat Conservation Trust

Core Sustainance zones: Determining zone size reference list
04.02.16

Myotis alcathoe

Lucan, R., Andreas, M., Benda, P., Bartonicka, T., Brezinova, T., Hoffmannova, A., Hulova, S., Hulva, P., Neckarova, J., Reiter, A., Svacina, T., Salek, M., Horacek, I., 2009. .Alcathoe bat (*Myotis alcathoe*) in the Czech Republic: distributional status, roosting and feeding ecology. *Acta Chiropterologica* 11: 61-69.

Barbastella barbastellus

Billington, G. 2000. Horner Woods Barbastelle Bat: radio tracking study. The National Trust.

Billington, G. 2012. Further research on the Barbastelle Bat Holnicote National Trust Estate, Exmoor, North Somerset. Greena Ecological Consultancy

Greenaway, F. 2008. Barbastelle Bats In The Sussex West Weald 1997 – 2008. Sussex Wildlife Trust/ West Weald Landscape Partnership

Greenaway, F., 2001. The barbastelle in Britain. *British Wildlife* 12: 327-334.

Hillen, J., Kiefer, A., Veith, M., 2009. Foraging site fidelity shapes the spatial organisation of a population of female western barbastelle bats. *Biological Conservation* 142: 817-823.

Hillen, J., Kiefer, A., Veith, M., 2010. Interannual fidelity to roosting habitat and flight paths by female western barbastelle bats. *Acta Chiropterologica* 12: 187-195.

Kerth, G., Melber, M., 2009. Species-specific barrier effects of a motorway on the habitat use of two threatened forest-living bat species. *Biological Conservation* 142: 270-279.

Murray, A., 2015. Unpublished data

Rush, T. & Billington, G. 2013. Report on a radio tracking study of Barbastelle bats at Hinkley Point C. Greena Ecological Consultancy.

Russo, D., Cistrone, L., Jones, G., Mazzoleni, S., 2004. Roost selection by barbastelle bats (*Barbastella barbastellus*, Chiroptera : Vespertilionidae) in beech woodlands of central Italy: consequences for conservation. *Biological Conservation* 117: 73-81.

Sierro, A., 1999. Habitat selection by barbastelle bats (*Barbastella barbastellus*) in the Swiss Alps (Valais). *Journal of Zoology* 248: 429-432.
