

Thumb bat

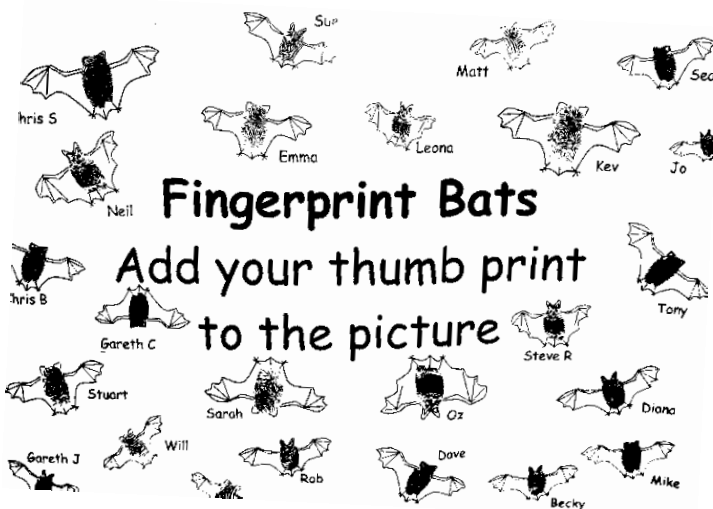

ALL YOU NEED IS

- An ink pad
- A felt tip pen
- And a thumb

METHOD

- Make a thumbprint
- Add two long ears
- Add fore edge to each wing and a thumb
- Add four fingers from the wrist (look at a photo of a bat to see how they arranged or use this illustration)
- Add five toes
- Join the membrane from the toes to the fingertips

TIPS

- Why not try making a poster with your friends and add your name under your bats?
- Or make a postcard...
