

Count Bat Project

The second year of the Count Bat project has come to an end. We are now mid-way through the project and are very interested to find out the success of any events, either run in partnership with the project, or where Count Bat attended/supported.

Your feedback will be invaluable in ensuring that future events under the Count Bat project are as successful as possible. We would appreciate it if you could take a few minutes to answer the following questions and return the form by post, fax or email.
