

Recommended Local Hotels

[Double Tree, By Hilton](#) (7 minute walk)

This is just a short walk across the road from the Living Planet Centre. I have only heard very positive things about it as it has been recommended to me by colleagues and other hirers. This is probably the more expensive option.

[Premier Inn, Woking Town Centre](#) (10 minute walk)

This again is a very short walk away, and would perhaps be more affordable in comparison to the above.

[Made in Sud](#) (6 minute walk)

A smaller hotel which has been recommended by a colleague; this is a short walk away through the centre of Woking.

[The Inn Keepers Lodge](#) (7 minute walk)

Short walk away from Woking town centre and situated near the local pub.
