

# The continuing adventures of Flat Bat!

- ✈ Draw a Flat Bat onto thick paper or card, colour him in any way you please, and then cut him out.
- ✈ Affix a strip of paper about 6cm long onto the underside of Flat Bat, leaving a loop big enough to slip one or two fingers through.
- ✈ Make creases in the wings to replicate the bat's fingers, bend his head up and gently pinch his ears to bring Flat Bat to life! — · — · — · — · *fold up* ..... *fold down*
- ✈ Take a picture of you & your Flat Bat roosting in interesting and random locations and send them to us to add to our Flat Bat-alogue !!
