

## Count Bat Project

We are currently planning training events for 2010 and are very interested to find out what you thought about the project, the success of any training you attended and any comments you may have.

Your feedback will be invaluable in ensuring that future events under the Count Bat project are as successful as possible.

We would appreciate it if you could take a couple of minutes to answer the following questions and return the form by post, fax or email.

Thank you!

### Section A: 2009 Count Bat events

1. Which training event did you attend? (please select all that are applicable)

- Accessibility Training: South Norwood Country Park (12<sup>th</sup> March)
- Training the Trainers: Battersea (16<sup>th</sup>/17<sup>th</sup> March)
- Bat Field Survey Training: South Norwood Lake (31<sup>st</sup> March)
- Bat Walk Training: Lambourne End (16<sup>th</sup> April)
- Bat Walk Training: Knole (11<sup>th</sup> May)
- Bat Walk Training: Ruislip Woods (30<sup>th</sup> May)

2. On a scale of 1-10 (1 being low and 10 being high), please rank your knowledge of the training topic *prior* to attending the training:

- |                          |                          |                          |                          |                          |                          |                          |                          |                          |                          |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| 1                        | 2                        | 3                        | 4                        | 5                        | 6                        | 7                        | 8                        | 9                        | 10                       |
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Comments:

3. On a scale of 1-10 (1 being low and 10 being high), please rank your knowledge of the training topic *since* attending the training:

- |                          |                          |                          |                          |                          |                          |                          |                          |                          |                          |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| 1                        | 2                        | 3                        | 4                        | 5                        | 6                        | 7                        | 8                        | 9                        | 10                       |
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Comments:

4. Have you joined the Bat Conservation Trust as a result of the Count Bat project?

- Yes                       No                       Already a member

5. Have you joined your local bat group as a result of the Count Bat project?

- Yes                       No                       Already a member

6. Have you carried out any of the following activities *since* attending the training? (Please tick all that are applicable)

- Raised awareness of bats by talking to family and friends
- Bought/borrowed a book to learn more about bats
- Gone out after dark to look for bats that live in your neighbourhood
