- Follow a standard complaints procedure (see Appendix 1).

What BCT will bring to the Network Relationship

In addition to general BCT resources available to all bat groups (see Appendix 2), BCT will:

What the Network Group will bring to the Relationship

The Network Group will:

- Inform BCT if contact details change.
- Forward information received in the bat worker bulletin to local members in a timely manner.

Process for reviewing the relationship

BCT will contact the group annually, via email or post, to confirm the status of the Network Group relationship. With this, BCT will provide information about alternative options (i.e. Partner Group or no formal relationship with BCT) for the group to consider, as relevant. The bat group will be asked to respond within 28 days. (This time period may be extended, by prior agreement)
